ONE WORD THEME  
LESSON

# Unique

Person who in their mind thinks that they are a special person with a positive attitude.

People say to themselves that they can always accomplish anything they want in this world, as long as “we” always trust ourselves it’s not going to be a problem.

# Does it help?

Yes, it helps because being unique can help you stand out and leave a lasting impression

# Thank you

And remember, always say positive things to yourself, you are capable of doing good things in this world, just don't give up! Keep trying
